

ALLIANCE MINISTRY COMMENTS

First Baptist Church of Sterling

Hello Darrell and Veronica. The both of you are an awesome team and God is really using you to help bring a new perspective to Youth ministry. The Youth workers at our church are so excited and really appreciate the wealth of information that you shared with us. My wife and I really want to thank the both of you all from the bottom of our hearts for being "REAL" with us and putting it all out on the line.

First Baptist North Brentwood

To God Be The Glory for the wonderful blessing we received through both of you. Thank you seems so inadequate to express our appreciation for the professional and godly manner in which you shared your vast knowledge and resources with our youth advisors at our annual retreat. Your presentation opened a new chapter in youth ministry at our church.

Mount Calvary AME Church

I can't say thank you enough. The youth leaders are still talking about the wealth of knowledge you all poured into our lives to be forever changed! I even had one youth worker state that she can now see the vision clearly that God gave me to bring every youth ministry under one umbrella. Again thank you both.

Asbury Towneck UMC

We were truly blessed by the information that you presented at the workshop. We are already looking at our youth program and will be implementing some ideas you gave us. The other youth workers who attended are already asking when will you be back. They are still talking about how easy it was to talk with you and your wife and how humble the two of you are.

Abysenia Baptist Church

Praise the Lord! We were blessed beyond measure. The information we received was very beneficial and enlightening. It was a blessing to all who were present. I applaud you for the good work you are doing

Alliance Ministry Vision Statement

We're working together helping you bring others to God by evangelizing Christ!

Alliance Ministry Mission Statement

Alliance Ministries exists to provide organizations with quality support, through workshops and speaking, as we provide motivation, direction, and purpose to help them accomplish their mission.

2 Timothy 3:17

Alliance Ministry Goals

Help your leaders grow spiritually

Help your leaders develop a closer relationship with Christ

Help your leaders study God's word

Give your leaders opportunities to evangelize Christ

Help you bring other leaders to Christ

Dear Pastor/Organizational Leader:

Alliance Ministries has been ordained by God to go to other churches and equip leaders to transform youth and women ministries by changing the lives from within. The Lord placed a burning desire in our heart to network with area churches and provide training on various topics to help everyone build effective, apostolic youth and women ministries. Based on this calling, we humbly request that you consider allowing Alliance Ministries to come and bless your congregation.

We firmly believe that this ministry will be successful because we also have the blessing of our Pastor and the entire church body. As written by John Eckhardt, we believe we have been commissioned for such a time as this. We understand that only sent ones can fulfill the Great Commission and overcome impossible odds that stand in the way of our mission to save our youth and women. We believe that we have been gifted by God to fulfill this purpose and calling.

We further believe that we are only part of a larger generation of pioneers called to make a difference for this generation. We want to help expand and break through barriers that would keep other Ministries from progressing. We have stepped out under an apostolic anointing that will help others stay on the cutting edge of Urban Youth and Women's Ministry.

Thank you again, for your considering Alliance Ministries to come and help fulfill your Ministry vision.
