

Mission Trip Resources

Center for Disease Control – www.cdc.gov

This site will give you updated information on the inoculation requirements for the country in which you will be traveling. We recommend taking every precaution necessary for your safe travel. Please note that some countries will not let you enter their borders unless you have proof of inoculations. Please check this site and determine if you will be entering a risky area.

Passports and Visas – www.americanpassport.com or http://travel.state.gov/passport/forms_overview.html

These sites give links and information on how to get a passport or visa application. In many cases it gives direct links to the foreign embassies which will process your visa application. Local passport agency is at Winston-Salem State University, Alumni House, 601 Martin Luther King Jr. Dr, Winston-Salem, NC 27110, Phone: 750-2125

Currency Exchange – www.travlang.com/money

This site will help you determine what exchange rate you will receive once you enter your country. Please remember that many countries require an exit tax for the airport, so you may have to get a small exchange before you leave the States.

Packing – www.packinglight.com

This site will give you helpful hints on how to pack for extended stays and also helpful traveling tips. It is useful if you do not know the ins and outs of international travel.

Travel Guides – www.fodors.com or www.lonelyplante.com

These websites will help you become more familiar with the people and culture of the country you will be visiting. Familiarity with the culture and the people are an invaluable asset to any ministry you will be doing.
