(Insert current date)

Dear Friend,

Jesus told the disciples to pray: "...pray therefore the Lord of the harvest to send out laborers into His harvest." Luke 10:2 I have sensed God's leadership to participate in the (insert Mission Project) on (insert project date). This volunteer mission project is a direct mission between Calvary Baptist Church and missionaries serving with the International Mission Board of the SBC (or other agency/organization).

The purpose of this project is to (insert project purpose). The mission team will be doing (insert ministry activities). I believe that I will be a valuable asset to the team!

Every active member of Calvary will receive 40% of the total cost from the tithes and offerings of faithful Calvary members through the mission budget. The mission volunteer is responsible for the other 60%. The total cost of the trip is \$(insert cost). Often we partner with members of other churches and those members are responsible for raising all of their financial support. Each of us has an opportunity to join this team either as a pray-er or send-er or go-er into the world with the Gospel.

I am going to follow God's leadership by faith. I will be using personal vacation time, time away from my family, and drawing from available resources to follow God's leadership. However, I must also enlist the help of others to assist with financial and prayer support. I encourage you to pray for me daily during this mission project. I also ask that you pray about your financial participation to help me serve on this project. My going and your giving beyond your commitments to your church will expand God's Kingdom and impact lives for eternity.

To ensure that your contribution is properly credited, please make your check payable to "Calvary Baptist Church". Make a note on the memo line for the (Mission Project name and volunteer name). Thank you for your prayerful consideration of this worthy project. Should you have any questions, please contact me or the Missions Office of Calvary Baptist Church at 336-714-5455.
