### *Ministry Support Need*

Hello! My name is Jennifer White, and I am the daughter of Ron and Karen White. I grew up at Calvary and have now been blessed with the opportunity to serve our Lord for a year in Buenos Aires, Argentina with Campus Crusade for Christ. If you would like any information on our ministry and how you could be a part of it financially or through prayer, I will be at practice next Wednesday, May 23 to answer any questions you may have! Thank you so much for your prayers and possible partnership in ministry.
