LEAD

JESUS

In this issue, we are introducing a new think piece called "Lead Like Jesus." It's a little break from the rest of the magazine to help us keep our hearts and minds focused on what we're really here for—to be mirror images of Christ. The graphic has symbolic meaning, too. The gold ring is representative of God, the Alpha and Omega; the triangle is for the Trinity with the colors representing royalty (purple), redemption (red) and righteousness (white).
