

Single Adults Retreat Nov. 14-16, 2008

Psalms for the 21st Century

Join other single adults for a fun weekend as we examine how the Psalms nourish the hearts of Christians today. We will look at their poetic beauty, the way they capture the concerns of God's people, and how they have been used in Christian worship. Additionally, we will compare the Psalms to some traditional hymns and contemporary praise songs.

The retreat cost is \$65. Financial assistance is available.

Columbia's retreat center is located 20 miles west of Winchester. Click here for more information about the retreat center.
