# ▶ WORLD FRIENDS SPANS THE GLOBE

Columbia's World Friends ministers to our local international community by teaching English as a Second Language to others whose native language is not English.

Students of various ages, educational levels, interests, nationalities and faiths attend for English instruction. They also have an opportunity to study American History and learn about life together in the United States and at Columbia Baptist Church.

*Most importantly students learn about our faith, our church, and how we live*

## Ministry Opportunities

Several wonderful opportunities for service are available. Below is a list of slots open for YOU to serve:

- **Teaching ESL** (English as a Second Language) Free training is provided. If you speak English you can become a World Friends teacher.
- **Teaching children** and caring for pre-schoolers is always a joy for this ministry team. The children have programs throughout the year to sing their newly learned songs and sometimes have plays for the adults.
- **Office Administration** openings include greeting new students,

assisting with placing students in proper classes, keeping records, updating information, and general office responsibilities.

- **Special programs** are always welcomed by teachers and students alike. If you have a special interest, cultural, hobby or food, and you would like to share it with World Friends, we would like to hear from you.
- **Ministry Director** Do you like to organize and lead a group of dedicated volunteers? The opportunity awaits YOU.
