Parents and Students,

As you can see from the other side, our IMPACT Student Ministry has a full year of events planned. Watch for sign up forms available for different events.

Forms are located in the Student Ministry Office and in the Student area upstairs of the Family Life Center.

#### *We need your help on the following things:*

- ◆ When your student(s) signs up for events, make sure that the check/cash is placed in one of the student envelopes provided in the Student Ministry Office and in the Student area. Turn in the envelope to the Student Ministry office.
- ◆ Sign up as early as possible so we can plan accordingly. We have to send in deposits early to hold our spots on many events and that is why it is important to sign up early and get your deposit in early.
- ◆ Make sure we have a Medical Release Form and a copy of your insurance card on file.

Please keep this calendar of events handy so you will not miss out on what is coming up for 2007. Also, contact us for any event you might want to help out on.

THANKS FOR ALL YOUR HELP!
