

TOP 10 Features of Maestro WorkLife Coaching

1 Biblically Grounded Discipleship

No worry here! You can rest easy with our commitment to the 6 WorkLife Principles which are solidly rooted in a holistic theology of work. Check it out!

- We see to it that your people have a good chance of practicing an effective life at work that glorifies God
- Did we mention that Maestro applies to all people who work – even retired folks and moms at home
- Everyone gets real life Solutions for 30 Top Work Issues common to all working people
- We remembered your need for a coaching style that fits individual study, small group use, leadership development and more

2 Personalized Assessments and Coaching

Being personal is a good thing -- we do that well through our personal assessments which pin point your top 3 work issues – on any particular day or week you choose to engage

- Real time assessment reports are delivered directly to you along with our winsome invitation enticing you to start the coaching process
- They say accountability hurts but we don't think it has to – in fact, Maestro WorkLife Coaching can keep you as accountable and engaged as you are willing to be
- God made you one of a kind so we utilize varying formats to better match learning styles

3 Real Time 24/7 Availability

- Ready when you are with “pick and take with you” tools, studies, videos and more
- Flexible and responsive to your issues—Maestro WorkLife Coaching adjusts to your changing issues whenever change happens to you

4 Top Shelf Content Trusted by Leading Churches and Organizations for nearly 10 Years

We know it's a full time job to keep content up to date – so we provide key reliable and up to date content from faith & work experts for you!

- You can expect relevancy in areas like job transition, legal rights, conflict management, skill development, integrity on the job, managing sexual temptations and more
- Your day will be easier with direct connection to specific books and resources you are looking for

5 Web Based Simplicity

- So you have your diverse and favorite computer types – Maestro WorkLife Coaching works with a PC or a Mac
- No tech or hosting hassles found with us we deliver all you need with ease.

6 No Staff Training or Time Needed

We help you do this efficiently and still meet your budget

- No regular staff allocation is required to receive massive impact in your people's lives
- You stay in charge – any special emphasis or events you might decide to do are completely at your discretion as well as directed and timed by you

7 Affordable & Quick to Set Up

Now we are talking! Your cost per person per month is less than a person likely spends for coffee. Your ROI is very BIG.

- We make your set up and delivery quick and easy – Maestro WorkLife Coaching is delivered in 2 weeks or less

8 Received by your People as a Gift from You

You get the credit because we are going to place your church name on the top graphic on the Maestro WorkLife Coaching Sessions and on the “email FROM Name” You are the Coach!

- Your promotional efforts serve your intended effort to equip your people to experience a life at work that glorifies God and therefore stands as a witness to others

9 Complete Professional Promotional Tools for your Use

We provide you with posters, bulletin inserts, web tools, presentations, web helps and more

- Your integration on your website can zing if you desire – with the help of the professional WorkLife web images which we include in your online Promotions tool kit.
- Small Group Resources are readily available within the Maestro WorkLife Coaching portal or through our online bookstore.
- Don't miss the Maestro Teaching Guide developed with the unique needs of you the Pastor.

10 Easy to Use and Share

Easy enough for all to use, you will find Maestro WorkLife Coaching graphically rich and fun to share with others

- You can expect the numbers of people engaging to increase as your people begin to use Maestro WorkLife Coaching and share in the culture of work.
- We want what you want – multitudes of people in your church and community who are both growing in and sharing Christ through experiencing a life at work that is bringing glory to God.
