

WorkLife Matching Grant provides 2007 Growth Opportunity!

December
2006

Dear Friends of His Church At Work,

Merry Christmas and Happy New Year to you and your family! We hope that you are having a blessed season of celebration as we focus on God's greatest gift-- Jesus Christ!

Work is also a gift from God. Many of us wince at this truth. Yet we are all called to both work as unto the Lord and to fulfill the mandate of the Great Commission. For most of us, the reality is our greatest influence with those who don't know our Savior is often through our work lives. This drives our mission at **His Church at Work** to grow the influence of the church through the work lives of people.

Celebrate with us the transformed lives and the exciting growth God has brought through the work of HCAW in 2006. As you can see, the Momentum Spotlights in this update help demonstrate the tremendous impact churches are seeing across the country as they equip members to recognize the value of their work and their vocational relationships.

\$75,000 WorkLife Matching Grant: We have a great opportunity as we close 2006 to empower even more people for impact at work. Would you consider partnering with us for even greater transformation in 2007 by contributing toward our \$75,000 WorkLife Matching Grant active **until December 31st**? HCAW GAINS MOMENTUM!

Across America, **His Church at Work** is fostering innovative and sustainable WorkLife Ministry as it commissions with churches to grow their influence through the work lives of people. The impact is far-reaching and the momentum is growing. Share with us in praising God for the milestones below:

- **50% growth** in the number of churches practicing WorkLife in 2006
- **100,000 believers** better equipped and commissioned into their WorkLife "mission field"
- **2.5 million co-workers influenced weekly** for Christ, a 230% growth over 3 years
- Churches are hiring **dedicated WorkLife pastors**, a 100% increase

CHURCHES ARE GAINING MOMENTUM!

It's a new day in the adoption of worklife by churches. **Churches are launching and expanding their WorkLife Ministry with exciting results!** Through WorkLife commissioning ceremonies, practical sermons and small group training, and reaching the local community through WorkLife seminars, lives are being changed. Visit the Case Studies to the right for more results.

One example is **Victory World Church** in Norcross, GA. Through their WorkLife Ministry, this year they have:

- Commissioned 5000 members for service at work
- Launched a church-wide "Working with Purpose" emphasis
- Supported their small groups through WorkLife curriculum

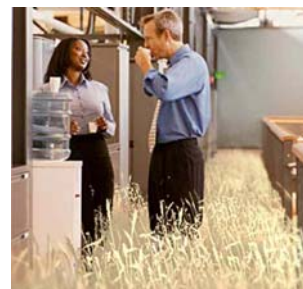

What about your church? Does it see the significant opportunity it has to externalize "the work of the ministry" and put it in the hands of its members who spend a majority of their time in the mission field of their workplace?

PEOPLE SEEING THE SIGNIFICANCE OF THEIR FIELD (Work)

"A sense of Divine Mission must be restored to man's daily work".
C.S. Lewis

Churches empowered by **His Church at Work** are experiencing changed lives among their members. Lives won for Christ, increased job satisfaction, improved employee morale, and more confident discipleship and evangelism, make for impressive, tangible results. Read a couple below:

Rick, in Toledo, OH shares: "Before, I struggled with the purpose of my occupation and its relevance to God's Kingdom. Thanks to our WorkLife Ministry, I'm re-energized, knowing that what I do matters to God."

Marilyn shares: "I have never had courage like I do now. I am praying for my co-workers, sharing the Discipleship Resources from our WorkLife Ministry and even had a conversation about Christ with my boss who is our company CEO. I am so happy and full of joy. Before this kind of help this area of my life was mostly untouched by God's presence."
