

SALT AND LIGHT AT WORK

August/September 2008, Issue 105

Dear Friends of His Church At Work,

"You are the salt of the earth..... You are the light of the world....." Matthew 15:13-14

Salt and Light. As believers, we are called to be both in all aspects of our lives. **His Church at Work's** mission is to *grow the cultural influence of the church through the work lives of people*. Our WorkLife process is built on helping the church support and equip working believers to be salt and light where they spend a majority of their waking hours and have a majority of their relationships.

I hope you enjoy this **Momentum** as we celebrate expanding WorkLife impact in churches and the lives of working believers.

Bless you until next time.

CITY CHURCH OF CHATTANOOGA LAUNCHES WORKLIFE MINISTRY

His Church at Work is excited to welcome **City Church of Chattanooga** (www.thecitychurch.cc) and Senior Pastor **Mike Chapman** to our network!

Led by **Brian Mosley**, Outreach Ministries Pastor, the WorkLife Team began training and designing their WorkLife Ministry plan in May of this year. The summer months have been an exciting time of planning and preparing for a September launch to their congregation.

In sharing his vision, Pastor **Mike Chapman** states, *"We would like to specifically enlist, equip, encourage, and empower our people to become true and effective missionaries at work. We would like for our church to support them just like we support our global missionaries. We want it to be specific and personal in nature."*

We are excited to see the expanded impact City Church will have on its working members and community!

CROWN FINANCIAL INTERVIEWS DOUG SPADA

His Church at Work founder, **Doug Spada** was recently interviewed by host **Chuck Bentley** on **Crown Financial Ministries** radio program **MoneyLife**. [CLICK HERE](#) to listen to the interview.

In the interview Doug shared the fundamentals of His Church at Work's WorkLife Process and how people can get involved. We are very excited the vision of believers being equipped and supported to live out their faith at work by local churches is being shared with a radio audience of 1 million Americans.

The area of advocating the vision of HCAW is a growing dimension of our ministry and we are grateful God is allowing the message to spread throughout the body of Christ.

FAITH BECOMING REAL 24/7

"This is my first year employed after graduating from college, and I can see how I have matured through my work experience in light of my Christian faith. I believe the Lord has given me a shrewdness and discernment that I did not have before, and while some negative experiences have caused me to be more guarded about my faith in the last year, I have also gained a freedom I did not have before. My church's WorkLife Ministry helps me to refocus on who I am (because of God) separate from my job, and that helps me keep the right mindset in the relationships I build with my coworkers." Betsy
