

## WORKLIFE - BACK TO THE BASICS

August 2007

Dear Friends of His Church at Work,

Wow! It's hard to believe it's already the end of August and school is back in session! One common tactic teachers utilize during this time is to go back and visit "the basics" with their students before diving in to deeper topics.

This month's **Momentum** joins in that back-to-school spirit by sharing some of the basics of WorkLife Ministry. Whether you are a veteran of WorkLife Ministry or someone who is just now being exposed to the concept, we hope the information shared will be beneficial and impactful. Practicing the basics (and going deeper) is having a tremendous impact in communities across the country. **Over 3 million** individuals are being influenced on a weekly basis by working believers of churches employing the **His Church at Work** process.

If your church is not already addressing the area of WorkLife or you need a **proven framework** for success, **His Church at Work** is here to serve you. You may like some assistance in how best to share the basics of WorkLife and how WorkLife Ministry can transform your church. **To the right are some free tools to help you do this with your pastor, staff and friends.**

We invite you and others you'd like to share WorkLife with to join us for our free **"Explore WorkLife" Webinar** as we discuss the keys to success, impact and influence of WorkLife ministry. ([Sign up here.](#))

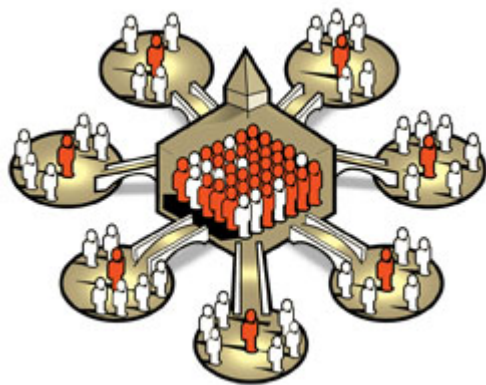

Bless you until next time.

### DEFINITION OF WORKLIFE MINISTRY

**His Church at Work** is focused on helping churches enhance their impact on believers and the community through WorkLife Ministry. You may be asking, "What do you mean by WorkLife Ministry?"

**WorkLife Ministry** is generally defined as **"an intentional effort by the local church to extend its influence into the community and culture where its members spend the majority of their waking hours, face the majority of their challenges to living out their faith, and have a majority of their interactions with the unbelieving and the un-churched world."**

**His Church at Work** accelerates your church's influence in the work communities where your members minister by helping **build bridges where walls and gaps likely exist**. We are a "church-centric" ministry called alongside to serve and empower your church - a **great "co-mission,"** equipping your people for effective WorkLife impact.

### THE FRUIT OF WORKLIFE MINISTRY - INDIVIDUAL IMPACT

A thriving WorkLife Ministry produces significant eternal impact in the lives of individuals. The six "impact zones" help your WorkLife team design and grow a WorkLife Ministry plan which will impact these areas in working believers' lives.

1. **Awareness** - of God's divine purpose and plan for their WorkLife
2. **Alignment** - with a biblically accurate perspective of their work
3. **Affirmation** - in their specific field of expertise and calling
4. **Ability** - to confidently serve others using their God-given talents
5. **Authenticity** - as they connect more easily in relationships with work associates
6. **Alliance** - and sense of belonging with other co-laborers in Christ

The **His Church at Work WorkLife University** process, which trains WorkLife teams in churches, is designed to help your church impact, affirm, resource and commission working believers in order to see growth and impact in the six impact zones.

### THE HEART OF WORKLIFE MINISTRY

**"The people who go out into the workplace ARE the church. We need to ask God, 'How do I organize my church to help equip members to function where God has put them in the workplace?'"**

**Dr. Henry Blackaby**

The **WorkLife CoreMatrix** is a simple yet highly effective structure to strengthen and give form to your WorkLife efforts. At its heart are six **CoreElements** that seamlessly weave practical WorkLife solutions into the ministry of your church.

**His Church at Work** uses the proven **WorkLife CoreMatrix** framework to help your church's WorkLife team to assess, design and grow its WorkLife Ministry.
