WORKLIFE IMPACT ZONES - INDIVIDUAL LIFE CHANGE

The ultimate goal of WorkLife is to invoke individual life change. All of our tools and processes focus the Church on six **WorkLife Impact Zones** that grow individuals at work. Collectively, these individual outcomes are designed to impact the **beliefs, attitudes, skills, actions** and **behaviors** of all workers. The six **WorkLife Impact Zones** are:

- **Awareness** - Growing a Sense of Purpose
- **Alignment** - Growing a Sense of Balance
- **Affirmation** - Growing a Sense of Calling
- **Ability** - Growing a Sense of Service
- **Authenticity** - Growing a Sense of Influence
- **Alliance** - Growing a Sense of Relationship

"I have never had the courage like I do now. I am praying for my coworkers, sharing resources from our WorkLife Ministry and even had a conversation about Christ with my boss who is our company CEO. Before this kind of support, this area of my life was mostly untouched by God's presence. I'm so happy and full of joy!" -- Marilyn, MN
