

SPREADING THE WORKLIFE MESSAGE

March 2007

Dear Friends of His Church at Work,

Spring is here and nature is springing into action, leaving the winter doldrums behind. One thing is for certain, in the area of WorkLife Ministry the past few months have been anything but inactive!

In recent weeks, we have seen media coverage of **His Church at Work** and the WorkLife Ministries at **First Baptist Church, Simpsonville, South Carolina** and **Discovery Church in Orlando, Florida**. These articles have been picked up and run in various media outlets across the country.

We've also had the privilege of being a part of regional WorkLife conferences in **Atlanta, Georgia** and **Portland, Oregon** focused on bringing church and workplace leaders together to reach their communities. How exciting it is to see these believers coming along side each other and to see the impact in these cities for Christ!

Please enjoy this month's **Momentum** as we share several examples of how churches and individual believers are being intentional in their WorkLife focus. Also, if your church is not already addressing the area of WorkLife, **His Church at Work** is here to serve you and to help you communicate how WorkLife Ministry can transform your church.

Bless you as you see the significance of your field.

Doug Spada, Founder, **His Church at Work**

FRUIT OF WORKLIFE MINISTRY

A thriving WorkLife Ministry produces significant eternal impact in the lives of individuals. A WorkLife Ministry aspires to **RESHAPE** a distorted cultural view of work creating alignment with God's intended view. Through WorkLife Ministry you will encourage people to anticipate an encounter with God while at work.

RESHAPING this missional principle will positively impact your church's **Teaching** and **Worship**. As a result, believers will experience **ALIGNMENT** with the biblically accurate perspective on the work they are doing.

"I have never had courage like I do now. I am praying for my co-workers, sharing the Discipleship Resources from our WorkLife Ministry and even had a conversation about Christ with my boss who is our company CEO. I am so happy and full of joy. Before this kind of help this area of my life was mostly untouched by God's presence." Marilyn in Minnesota

Churches that are intentional about helping members recognize God's view of work will be blessed with believers like Marilyn who **view their work as worship** with **spiritual significance**.

WORKLIFE MINISTRY CAUSING ATTITUDE SHIFT

"My pastor brought WorkLife Ministry to our church and gave me resources to help me figure out God's purpose for work. I read the words and Scripture about God's plan and His desire for our work to be more than just a day-to-day drudgery. The "answers" I had been seeking began to come.

My outlook radically changed! Instead of viewing work as a place to be tolerated, I now began to see my workplace as a "mission field" where God had planted me to live and work for Him! I'm a Believer--it's who I am and I now see how crucial it is to let that part of me be evident in my work." Pam, San Jose

Join us in celebrating as thousands of working believers like Pam are **equipped** and **affirmed** by their church and its WorkLife Ministry--realizing they are **strategically placed by God** to have an amazing impact and to joyfully **live out their faith** and **effectively seize divine moments!**

ORLANDO'S DISCOVERY CHURCH EXPANDS WORKLIFE MESSAGE

Senior Pastor **David Loveless** has always had a passion for helping believers live in the power of God at work and impacting their community for Christ. This year, **Discovery Church in Orlando, Florida** expanded this mission through their new WorkLife Ministry.

Leading this new initiative is WorkLife Pastor **Jim Butler**. With assistance from **His Church at Work**, Jim and his team have utilized many innovative means of getting the message out:

- **WorkLife Sermon Series**, including a **Commissioning Service**
- **WorkLife Forum** - which included sessions on "Spirituality in the Workplace" and five breakouts designed to equip believers in the workplace
- Integration with their **Prayer Ministry**
- Establishment of a **WorkLife Blog** managed by a WorkLife coach
- **Community Awareness** through press releases and a feature article in the Orlando Sentinel

The impact has been amazing! Check out how one of the WorkLife Sermons impacted Ellen at work:

"I visited your church this past Sunday with my son. I am a waitress and at times I have more than I can bear with the customers' demands and the other wait staff not doing their jobs. Your message this past Sunday created a whole new outlook for me about the workplace. Last night would normally have been a very stressful one for me (2 waitresses called in sick) but with my new outlook it was not. Thank you very much!"

His Church at Work is excited to see how God is impacting Discovery's members and community through their WorkLife Ministry!
