

WORKLIFE IMPACTING COMMUNITIES

May 2007

Dear Friends of His Church at Work,

There's an excitement in the air as people across the country are positively impacting their work associates in and through their work lives. Through WorkLife Ministry, churches are experiencing great impact as the **Sunday/Monday disconnect** many working believers experience is **removed!**

One of the joys at **His Church at Work** is to hear and read the testimonies of countless individuals who have realized their work life is part of God's plan and that He cares deeply about their work.

Please enjoy this month's **Momentum**. If your church is not already addressing the area of WorkLife, **His Church at Work** is here to serve you and help communicate how WorkLife Ministry can transform your church. To the right are some free tools to help you do this.

Also, join us for a free "**Explore WorkLife**" **Webinar** as we discuss the dynamics, impact and influence of WorkLife ministry. ([Sign up here.](#))

PIEDMONT CHURCH DEVELOPS WORKLIFE

Dr. Ike Reighard is the new Senior Pastor at Piedmont Church in Marietta, GA. He is also the Chief People Officer for Homebanc Mortgage, a publicly traded corporation. Ike knew that to revitalize Piedmont to greater fruitfulness that WorkLife had to be one of the key pillars of focus, so he engaged **His Church at Work** to build a sustainable WorkLife focus.

In June, the Piedmont WorkLife Ministry Team, led by Bryan Kelso, will enter the **WorkLife University** where they will learn the foundations of WorkLife Ministry and the process to design an effective implementation customized for Piedmont's mission and culture.

Welcome Piedmont Baptist!

MINISTERING GOD'S GRACE AT WORK

"A person at work lost his wife to cancer a couple of weeks ago at the age of 39. They are both Russian immigrants, but through her struggle she came to know Jesus personally. Her husband and I went to lunch yesterday and discussed faith, suffering and fairness. I felt a bit stumped on how to share hope with a grieving man. Yet the Holy Spirit is faithful, and 30 minutes later I shared the gospel with him. Pray for him - it can be done in the workplace!" --Ron, San Jose, CA

WORKLIFE GOALS - INDIVIDUAL LIFE CHANGE

The ultimate goal of WorkLife is to invoke individual life change. HCAW focuses on **six key areas** that impact individuals. Collectively, the individual outcomes are designed to impact **beliefs, attitudes, skills, actions and behaviors**. The six key elements and areas of impact are:

- **Awareness** - Sense of Purpose
- **Alignment** - Sense of Balance
- **Affirmation** - Sense of Calling
- **Ability** - Sense of Service
- **Authenticity** - Sense of Influence
- **Alliance** - Sense of Relationship

MAY FOCUS: ABILITY - Sense of Service

Ability to confidently serve others using their God-given talents to joyously live out their faith and effectively seize divine moments in their work lives. Through WorkLife Ministry individuals are **trained, coached and equipped** to walk and talk their faith. In doing so, a greater **sense of serving** at work is created within the individual. Note below the testimony that demonstrates the tremendous impact that equipping individuals has on beliefs, attitudes, actions and behaviors.

"Through our WorkLife ministry I received resources to help me figure out God's purpose and plan for work in general and mine specifically. My outlook radically changed. I now see my workplace as a 'mission field' where God had planted me to live and work for Him! I'm a believer--it's who I am and I see how crucial it is to let that be evident in my work." -- Pam, San Jose, CA
