

Vision New England

A RADICAL MISSION

Vision New England has embarked on a radical mission of intentional evangelism: **“the whole church taking the whole gospel to the whole New England region”**. We have recently completed a research project in which we studied the lives of people, who have come to faith in New England in the last two years. We are convinced that New England needs a powerful encounter with the gospel of Jesus Christ that will change this region for eternity.

THE WHOLE CHURCH

This means that every believer needs to be prepared to tell their story. I Peter 3:15 says it well “let everyone be prepared to give a reason for the hope that is within them with gentleness and respect”. Reaching the region with the gospel, will be through relationships and lifestyle witnessing of believers, mobilized and equipped through the local church. Vision New England can come along side your church to help you gain confidence and skills to proclaim the gospel.

THE WHOLE GOSPEL

The whole gospel teaches the importance of both word and deed. True servants of Jesus Christ share the good news of salvation by grace through faith in the Savior and also are actively engaged in action that demonstrates the powerful reality of life in Christ. The true church of Jesus Christ will always have an outward focus, serving the community in which it is located in such a powerful way that everyone knows the value that Christians add to their life together.

THE WHOLE NEW ENGLAND REGION

The whole New England region is our focus. We live in New England. We love New England. We believe that God has equipped Vision New England to serve this region by providing one-on-one support, assessment, planning, and implementation resources so that the local church can bring gospel transformation to this region.

YOUR INVITATION

I am inviting you to become part of this dynamic gospel movement. Thousands of Christians, uniting together through local churches, building relationships, transforming lives, and changing New England. Pray with us that it would please God to send another great awakening to this region that He loves so dearly.

Faithfully,
